All Proceeds Will Benefit

ReBoot assists veterans who suffer from brain injuries and other mental health problems. The project is raising funds to provide comprehensive, multi-disciplined treatment tailored to each veteran's needs. Donations to ReBOOT help pay for veterans medical care as well as travel costs and living expenses while undergoing treatment.

Why we choose to donate to The Boot Campaigns "ReBoot" Program...

22

That's the number of returning veterans who commit suicide PER DAY.

The root cause is that a vet returning from a war zone simply has no tools to cope with the transition.

Every donation will work to bring that number down.

WHY GIVE?

- 22% of Operation Enduring Freedom/Operation Iraqi Freedom combat wounds are brain injuries
- PTSD/TBI can interfere with quality of life and no service member should suffer alone
- Mental illness can lead to suicide if it goes untreated
- Financial worry should NOT be the barrier between a warrior and treatment
